

Summer School Housing 2014

Summer school housing is open to any Mars Hill University student working towards the completion of their academic program during the summer. This includes taking classes and completing internships. Housing is not available to students who are simply working in the area and need a place to live for summer. Please remember that summer school housing rooms are limited and will be given on a first come first serve basis. All students living on campus for Summer Sessions are required to have a meal plan and the meals do not carry over from one session to the next.

Students will be Housed in the Azalea Townhouse Apartments and will consist of double rooms only. Unless students specify who they want to share an apartment or room with on their contract, they will be placed with someone by Residence Life Staff.
