Admission as Music major or minor: On the Application for Admission to Mars Hill University, students must indicate their desire to major or minor in Music. Once admitted to MHU, the appropriate Applied Music Coordinator, who will provide assistance in scheduling an audition and completing placement exams in music theory and aural skills, will contact the potential Music major/minor. After placement is determined in theory and aural skills, the prospective Music student must complete an entrance audition before being formally admitted into the Department of Music. Should a student have deficiencies that will not allow him/her to enter the Bachelor of Arts in Music degree at the sophomore level, he/she will be required to complete additional coursework, likely lengthening the number of semesters required to complete the degree. Students wishing to pursue a music degree other than the Bachelor of Arts must consult with the Chair of the Department of Music.

Students may take NCCCS courses in any term (ACA 122, ENG 111, and ENG 112 excepted), provided they satisfy specified requirements before transfer to MHU.
