*\*May also be taken in Summer at end of Year 2.*

*\*Recommend that one of the courses relates to Religion or Ethics and one of the courses relates to Appalachia.*

*\*The non-nursing course requirements are different for the second-degree student and for students with AA or AS degrees from a North Carolina community college. All general education requirements would be met. The non-nursing courses required specifically by the Judge-McRae School of Nursing are Chemistry (or approved substitute), Anatomy & Physiology I, Anatomy & Physiology II, Lifespan (or Developmental) Psychology, and a foreign language (Spanish) plus recommendations for a Religion/Ethics/Philosophy course and a cultural Appalachian course.*
