**Part III. Two Samples of Your Writing**

Include *clean copies* of two course papers that represent your best work. Be sure to include, with each paper, a description of the assignment and a brief explanation of why you have chosen it to represent your writing abilities. Papers can be selected from any area of your studies here at Mars Hill University. The best selection choices will demonstrate analytical or argumentative writing and thinking (though a more pragmatic piece such as a lab report will be considered provided it illustrates analytical writing and thinking abilities). Submissions will not be returned, so be sure to keep a copy for your files.
