THE WRITING CENTER

The Writing Center is a free service. You can receive help on any paper for any class at any stage of the writing process. Just send your assignment sheet, prompt, or rubric and your rough draft--if you've got one.

If you would like to receive help from a Writing Center tutor as MHU moves online, please contact the tutors by emailing them directly. They will be happy to work with you on one or more of the following platforms: phone call, FaceTime, Zoom, Skype, text, or email. If possible send them your assignment. They will contact you about the tutoring session.

If you have any questions or concerns, please email flopez@mhu.edu
