Reems Creek Golf Club

Blue Ridge Mountains Golf with a Touch of the
Scottish Highlands...

Nestled in the foothills of the Blue Ridge
Mountains, Reems Creek Golf Club offers a
relaxing and picturesque setting for a day on the
links. The golf course was constructed by Hawtree
& Sons, a renowned British firm that sculpted a
layout reminiscent of the look and feel of the
Scottish Highlands. Elevations found here provide
the most spectacular views of the surrounding
mountains!

Reems Creek Golf Club has a new fleet of golf
carts which have GPS systems to help you execute
the perfect shot! The renovated clubhouse and
grill will be a relaxing venue to recount the shots
of the day. Experience the challenge of Reems
Creek. The mountains await!

The course is also newly-remodeled, and
conditions are awesome! The fairways are lush
again and the views are magnificent!
