

Licensure Exam Pass Rates

The following data are collected by ETS and reported to the state of North Carolina via the Title II federal reporting process. These data are provided by the state in the annual EPP Report Card and are provided in aggregate across all licensure areas. In 2016, the state of North Carolina adopted new licensure exams from Pearson, which resulted in a temporary drop in pass rate.

Year	Pass Rate
2015-2016	84%
2016-2017	55%
2017-2018	88%
2018-2019	88%
2019-2020	90%
