MOUNT MITCHELL GOLF COURSE

If Beauty Is What You're After, Look No Further!

Built in 1975, storied Mount Mitchell Golf Club is a virtually flat par 72 nestled in the curves of the Blue Ridge Parkway. Only two miles from the base of Mt. Mitchell, the highest peak on the east coast, each shot offers a unique view of the mountains. Fred W. Hawtree's only United States course is player friendly and offers no blind shots in this challenging but fun round that will leave you ready to play again and again.
